

King William Little League (0346-1505) Official Map

This is the boundary map for King William County Little League. The boundaries are King William and King & Queen Counties. The North boundary is Essex County and Middlesex County; East by Gloucester County, South by the Pamunkey River, with Hanover & New Kent Counties on the Southside of the river; West by Caroline County for both King William and King & Queen County. The Northern part of King & Queen County and going southeast within the county lines to the electrical transmission line is the southern boundary for King William boundaries.
